SWALLOW

The POWERplus® Swallow DYNAMO BICYCLE (FLASH)LIGHT/CHARGER

Easy and safe cycling in the dark; never run out of batteries!

The POWERplus® Swallow is a complete bicycle lighting system with front- and backlight.

Simple wind up the main (front) unit and click in the holder. You then have bright front and backlight for safe cycling in the dark.

Not just a cycling system the Swallow can be used as a charger for mobile phones. The Swallow comes with a Nokia cable. Adapters for other phone and mobile devices are available at www.powerplusadapter.com
